

NSWS UPDATE: 3/30/20

March 30, 2020
Dear NSWS Families,

I hope that in this time of change you are finding moments to slow down. We all need to care for ourselves each day. Remember to spend a heart filled moment with your child - play a game, laugh or get out in nature.

COMMUNITY UPDATE

On March 21st Governor Sisolak and State Superintendent Ebert declared that schools are to remain closed until April 16th. This changed from the previous date of April 6th.

SCHEDULE

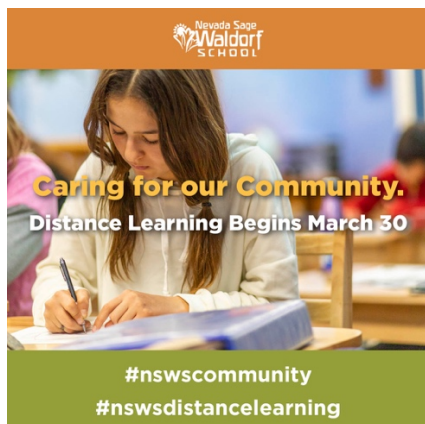

We will follow the State directed path of school closure until April 16th.

DISTANCE LEARNING

Our distance learning program began today! In the grade school our teachers and students began exploring the new world of distance learning. In our Early Childhood program, today teachers continued providing warmth and care through puppetry, yummy snack recipes, a play dough recipe and jump rope rhymes such as this:

“Down in the valley where the green grass grows,
There sat (child’s name) as pretty (handsome) as a rose.
Along came mother and kissed her (him) on the cheek,
How many kisses did she (he) get this week?
1.....2.....3.....4....”

Thanks to all our teachers - nursery through grade 8 – for your dedication to your children and students! Your detailed planning is acknowledged and appreciated.

~ Special Thanks ~

A special thanks to Alicia Dietrich (1st grade parent) who has supported our teachers through tech support for Google Suite and Google Classroom as we transition to distance learning! Thank you, Alicia.
