SPRING AUCTION EVENT | DONATION REQUEST

Spring 2024

I hope this letter finds you in good health and high spirits. I am writing to you on behalf of the Nevada Sage Waldorf School, a beloved educational institution in our community that has been nurturing the minds and spirits of children for many years.

We are excited to announce our upcoming Live and Online Spring Silent Auction, which is scheduled to take place on March 23, 2024 as a part of our ongoing efforts to support the school's mission and provide enriching educational experiences for our students. The funds raised from this event will be dedicated to enhancing the educational programs, enriching resources, and ensuring the sustainability of our school.

We are reaching out to our generous community members and local businesses, who have been the cornerstone of our school's success for many years, to kindly request your support by contributing a donation to our spring auction. Your generous contribution will play a vital role in helping us achieve our fundraising goals.

Your donation can take many forms, such as a product, service, experience, or a monetary contribution. It could be a gift certificate, a unique item from your inventory, a memorable experience, or any other valuable item you can provide. No donation is too small, and every contribution will be highly appreciated!

In return for your generosity, we will ensure that your contribution is prominently featured in our auction, with due recognition and exposure to a broad and engaged audience, including our students, parents, staff, and supporters. We will also highlight your contribution on our website and social media platforms, expressing our gratitude for your commitment to Nevada Sage Waldorf School.

To arrange for your donation or to discuss any questions or details, please feel free to contact fundraising@nevadasagewaldorf.org or Kristin Ryan at 775-501-0361. **Your donation will need to be received by March 15, 2024 to ensure its inclusion in the auction.**

Nevada Sage Waldorf School is deeply committed to providing holistic and individualized education that nurtures creativity, critical thinking, and a lifelong love of learning. Your support is instrumental in helping us achieve these goals and create a brighter future for our students.

Thank you for considering our request. We are profoundly grateful for your support and generosity, and we look forward to partnering with you to make our Spring Auction Event a resounding success. Please see enclosed for non-profit (501c3) private school tax exemption letter.

With warm regards and gratitude,

Kristin Ryan, Christmas Uberuaga, and Stefanie Hull

WHAT IS WALDORF EDUCATION?

Non-sectarian and non-denominational Waldorf schools educate children with an academically rigorous approach to education. Waldorf education integrates the arts in all academic disciplines to enhance and enrich learning.

ARE WALDORF SCHOOLS ART SCHOOLS?

No, not quite. Research continues to show that the inclusion of the arts in academia increases aptitude and creative thinking in areas such as math and science, and has a positive effect on emotional development. International education studies (PISA scores) continually show that Waldorf students outperform all others in science. Waldorf schools operate as independent nonprofits. We focus on teaching the whole child, instead of just the rote memorization you see in many schools. Not only does Waldorf work with the students' heads, but their hands and hearts too, with very experiential hand work, lessons, and games. Waldorf students think for themselves, learning to problem-solve and find creative solutions. Waldorf schools turn out whole people, the best kind for solving challenges in a growing community and an expanding world!
