WHAT IS WALDORF EDUCATION?

Non-sectarian and non-denominational Waldorf schools educate children with an academically rigorous approach to education. Waldorf education integrates the arts in all academic disciplines to enhance and enrich learning.

ARE WALDORF SCHOOLS ART SCHOOLS?

No, not quite. Research continues to show that the inclusion of the arts in academia increases aptitude and creative thinking in areas such as math and science, and has a positive effect on emotional development. International education studies (PISA scores) continually show that Waldorf students outperform all others in science. Waldorf schools operate as independent nonprofits. We focus on teaching the whole child, instead of just the rote memorization you see in many schools. Not only does Waldorf work with the students' heads, but their hands and hearts too, with very experiential hand work, lessons, and games. Waldorf students think for themselves, learning to problem-solve and find creative solutions. Waldorf schools turn out whole people, the best kind for solving challenges in a growing community and an expanding world!

NEVADA SAGE WALDORF SCHOOL RENO, NEVADA

Currently serving children in Nursery, Pre-Kindergarten and Grades K-8. Nevada Sage Waldorf is not your average private school. Dear Applicant:

Our letter dated JANUARY 3, 2001, stated you would be exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code, and you would be treated as a public charity, rather than as a private foundation, during an advance ruling period.

Based on the information you submitted, you are classified as a public charity under the Code section listed in the heading of this letter. Since your exempt status was not under consideration, you continue to be classified as an organization exempt from Federal income tax under section 501(c)(3) of the Code.

You may request a copy by calling the toll-free number for forms, (800) 829-3676. Information is also available on our Internet Web Site at www.irs.gov.
